## EXPERIENCE

### **Native Pressure Washing, Naples, FL — Technician** (independent contractor)

February 2021 - May 2022

Work as part of a two-man crew to provide exterior cleaning and sealing services, engage in direct marketing with clients' neighbors, and maintain the high-pressure system, two stroke engine, and 12v pump.

### **Coastal Transportation, Seattle, WA — OS / Wiper**

January 2021 - February 2021

Worked as both wiper and O/S, gaining valuable experience in both the engine room and deck by standing watch for both departments, responding to multiple alarms caused by rough water, and helping to mitigate the damage when a pump failed and generator caught fire.

### **Algae Free, Bonita Springs, FL — Crew Lead/ SEO Consultant**

November 2019 - December 2020

In addition to running a service truck, I handled all aspects of content upkeep and SEO for [www.algaefreellc.com](http://www.algaefreellc.com) (I did not build the site, however). Within a month of listing the website, we made 1st page results for 4 of the 5 target queries.

## EDUCATION

### **CareerFoundry, Berlin (Germany remote)—**

May 2022 - currently enrolled.

I am currently enrolled in the 8 month, Full-Stack Immersion course in which I have created projects using HTML, JavaScript, JQUERY, CSS, Bootstrap, and Git as our VCS. I am currently working on a REST API in NodeJS.

### **Chavagnes International College, Chavagnes-en-Paillers (France) A & AS**

August 2016 - May 2017

At Chavagnes I was House Captain of House Charette and achieved A/AS levels in History, Spanish, Mathematics, and General Studies.
